

Maidenhead

Dear Sir

I do not delay
to acknowledge the arrival
of your Vol of Tracts. I
will take the utmost care
of it.

You are certainly wrong
in the date of the "Brief and
true Relation" respecting Thomas
Hubbert, if you think it is
between 1605 and 1613. It
must be after 1640, or perhaps
1650, and I observe a cross
and a "?" in the margin.

As to the others I
will look carefully at
them. The first is, I think,
the most valuable, but too
long for my purpose.

My best thanks.

Yours very faithfully
& much obliged

J. Payne Collier
